Dear Band Students and Families,

On behalf of the Deep Run Band Boosters (DRBB) and the entire Deep Run Band Family, we are excited to see you today at Jump Start! The Deep Run Band program is a **16-time** Virginia Honor Band and this year, the Deep Run High School Music Department has achieved Blue-Ribbon status from the Virginia Music Educators Association again! This honor is given to schools who have their most advanced band, chorus, and orchestra receive superior ratings at District Assessments. This achievement marks the **13th** straight year that DRHS has earned this Blue-Ribbon status distinction - ***the longest current streak in the state of Virginia!*** Tradition, excellence, and commitment run deep within our program! We are honored you and your student have chosen our program and we are proud to have you as a member of the Deep Run Wildcat Band!

The Deep Run Band Boosters support the Concert Bands and the Marching Wildcats who provide the music and the Color Guard who provide the music's visual interpretation. These groups work together to achieve the school's superior program while also building lifelong friendships!

As we begin Jump Start, please take a moment to confirm your student is enrolled in Marching Band (**course # 9232Y**) – this allows your student to participate after the school day while also obtaining 0.5 Honors credit. Your student should also be signed up for a Concert Band course that meets during the school day: brass players: **#9234B**, percussionists: **#9234P**, woodwinds: **#9234W**. For your reference, there is also Wind Ensemble #9234 and Stage Band/Jazz Band #9241 both of which are by audition only. If you have any course registration questions, please contact your current guidance counselor or Mr. Pennington.

We encourage you to ask questions throughout your band experience. Welcome and GO WILDCATS!!

About the Deep Run Band Boosters

The Deep Run Band Boosters (DRBB) was created exclusively for charitable purposes to promote music study, composition, and performance for students within Deep Run High School Department of Bands.

The DRBB is a parent-run organization that supports Deep Run High School band programs by providing support to the Band Director, Jimmy Pennington. These programs include classes in which students are enrolled and graded:

- ❖ Marching Band - composed of musicians and color guard
- ❖ Two Concert Bands - Wind Ensemble and Symphonic Band
- ❖ Jazz Band

The DRBB also supports the band in many other ways such as:

- ❖ Pep Band by providing organizational support to this student run activity
- ❖ Planning band trips
- ❖ Managing the care and upkeep of Marching Band uniforms
- ❖ Purchasing new Marching Band uniforms and other articles that are required for the show
- ❖ Contracting and paying for staff to work with Marching Band
- ❖ Purchasing music and choreography for marching shows
- ❖ Maintaining the Wildcat Trailer, which transports equipment to performances
- ❖ Raising money for needed capital improvements (i.e., props, sound equipment)
- ❖ Providing chaperones for games and competitions
- ❖ Providing student meals
- ❖ Organizing student and parent hospitality for concerts and other celebrations
- ❖ Managing volunteers who augment our fundraising activities (i.e., cookie sales, spirit nights, plant sales, band concession tent during football season)

To do all of this work, parents formed the Deep Run Band Boosters, Inc. (DRBB) in August 2002. DRBB is an IRS Section 501(c)(3) Tax Exempt Entity incorporated in Virginia and is run as a not-for-profit company. This means that DRBB does not have to pay sales tax on its purchases, and contributions made to DRBB are potentially tax-deductible (subject to IRS regulations).

Joining Band Boosters is as simple as coming to the meetings and it's a great way to get to know other band families! Please see enclosed calendar for General Booster meeting dates and times. All families are welcome and encouraged to attend!

Methods of Communication

Reaching Out To You

- ❖ **Eblasts** - Emails are the primary means of communication. During our active season, you should expect to receive one or more Eblasts per week. If you are not getting Eblasts, please contact the DRBB Secretary to have your email address added to this critical communication tool.
- ❖ **Band Website** - Check <http://www.deeprunband.com> for updates, calendar of events and meetings, and pertinent forms. You may need a password to access some areas of our website; contact Shelly Parsons, DRBB Website Chair, should you need the password.
- ❖ **Social Media**
 - FaceBook: Deep Run Wildcat Band
 - Twitter: @DeepRunBand (Deep Run Band Boosters)
- ❖ **Sign-Up Genius** - Volunteer opportunities are posted on <http://www.signupgenius.com>. Direct links to sign-ups are sent in Eblasts, but if you do not have the direct link you can use the “Find a Sign Up” feature on the Sign-Up Genius site by using the following email: drmbvolunteers@gmail.com or you can visit the Deep Run Wildcat Band website at <http://www.deeprunband.com/volunteering.html>.

All adult volunteers must complete a [HCPS Volunteer Application \(https://henricoschools.us/wp-content/uploads/Volunteer-Application.pdf\)](https://henricoschools.us/wp-content/uploads/Volunteer-Application.pdf) for each school year you serve as a volunteer with the band.

Reaching Out To Us

- ❖ **Snail Mail** - Send information, forms, and payments to the DRBB via your student. There is a Band Room mailbox located in the band room. If sending in correspondence this way, please mark envelope with whom/what the contents are for (i.e., note to Mr. Pennington, band trip payment, flower payment, etc.). Also, note on your check the name of the student. Please follow up with your student to ensure timely delivery from the bottom of your student’s backpack to the Band Room mailbox, should you choose this route.
- ❖ **DRBB P.O. Box** - Our postal address is Deep Run Band Boosters, P.O. Box 3060, Glen Allen, VA 23058. Please avoid sending mail to the high school’s address. There are several other booster organizations operating on behalf of DRHS and it is common for mail addressed to us at Deep Run High School to be misrouted. Please use the P.O. Box.
- ❖ **Email or Phone** - If you have any questions, please feel free to reach out to any of the Band Booster members listed on the next page. We are here to help and guide you. There are no stupid questions.

Important Band Facts

Marching Band Attendance & Practices

Student attendance is *expected* at Jump Start on May 1 and May 15, and at all summer clinics held on Tuesdays in June, July and August from 4pm – 8pm (see specific dates below) and if applicable, at Color Guard Camp, unless your student is out of town or sick.

- ❖ Tuesday Summer Clinics are scheduled for the following dates:
 - 1) June 29, 2) July 6, 3) July 20, 4) August 3 and 5) August 10
- ❖ Color Guard Camp is not yet scheduled. The Guard Staff will provide additional details shortly.

This additional time allows kids to acclimate to their new environment, begin to learn music and marching moves, but most importantly, develop group synergy.

The first day of Band Camp is Monday, **8/16/21**. This is the first day of class for the academic class called “Marching Band”. This class will continue to meet until the end of Marching Season on **11/8/21**. Consult the 2021 – 2022 Deep Run Marching Band Season Schedule (beginning on page 6) for class dates which is subject to change at the discretion of the Band Director. Any absences require the same notification from parents as any other academic course. Please refer to HCPS Code of Conduct (<https://henricoschools.us/wp-content/uploads/CodeofStudentConduct.pdf>) for further clarification.

Weekly after-school practice schedule beginning Wednesday, 9/8/21 through Monday, 11/8/21:

- ❖ Mondays: No practice (unless a student holiday falls on a Tuesday, Wednesday, or Thursday; Monday practice planned for Monday, 9/13/21 and Monday, 11/1/21)
- ❖ Tuesdays – Thursdays: 4:15pm – 6:30pm
- ❖ Fridays: 4pm – 11pm (students remain after school until after the football game)

After all Marching Band practices end, students store equipment, clean the band room, and “Arc Up” (assemble for last coaching from leadership) for dismissal.

Parents are strongly encouraged to arrive 15-30 minutes after the formal practice end time to allow for students to store equipment, clean the band room and “Arc Up” for dismissal; for example, end time of 6:30pm; pick up time 6:45pm.

Saturday competitions occur at varying locations and times to prepare for the assessments (explained below). Please block the entire day until you receive further information from the Band Director.

Note: Color Guard and 8th grade marching band members’ participation obligation only runs through the end of the marching band season (Monday, 11/8/21 or the last playoff game should the football team advance to the playoffs).

COVID Safety Guidelines

We will adhere to all published HCPS/DRHS COVID safety guidelines. Adherence to guidelines will be adjusted as they change.

Current guidelines are as follows:

- ❖ Students must always be masked, and the mask cover must cover the mouth and nose.
- ❖ Horn line members should bring a cloth mask with a plus sign-shaped slit for their mouthpieces. These will be used when playing. A mask without slits should be used for visual rehearsals. (Optional: There are “instrument masks” which may be purchased, if desired, rather than cutting a slit in a cloth mask).
- ❖ Horn line members should use bell covers.
- ❖ Students must always remain socially distanced, indoors and outdoors. This means a minimum of six feet apart. Horn line members must be 10 feet apart when playing.
- ❖ In compliance with school policy for in-person learning, students should self-screen prior to arrival, including taking their temperature. Any students with a fever or exhibiting COVID symptoms should stay home and notify their section leader and Mr. Pennington.
- ❖ To avoid crowds in the band room, students should bring their instruments with them and take them home after rehearsal. The only exceptions are tuba players, bass drummers and front ensemble members. Those section leaders should plan to arrive early to help move instruments outdoors.

VBODA Assessments & Honors Distinctions

Virginia Band and Orchestra Directors Association’s members (VBODA, see <http://www.vboda.org/>) assess Marching Band and concert band performances in the Fall and Spring. If both Fall and Spring assessments result in a “superior” rating, our band earns the **Virginia Honor Band** distinction. Deep Run Bands have maintained this honor for 16 straight years.

Deep Run High School’s band, orchestra and choral music programs are evaluated during the year by VBODA. If all three programs score “Superior” rating, Deep Run will be named a **Virginia Blue Ribbon School**. Deep Run has maintained this honor for 13 years, the longest ongoing streak in the state. The Booster Organization is committed to providing our students with the resources necessary to uphold this distinction.

Elite performances are possible when each student plays an integral part in our band program. Any absence will be noticed as a gap where your student marches, plays, or dances. We have no substitute players to fill in for absent members. Families are asked to honor this commitment; barring illness or family emergencies, attendance is required at performances.

Money Talk

1. **Marching Band Assessment Fee.** Payments are due beginning at the second Jump Start meeting in May. The fee is \$475 and covers about $\frac{2}{3}$ of the cost of running the marching band with fundraising comprising the other third. Band families with more than one student in the marching band receive a discount of \$100 on the second and subsequent family members.

We prefer full payment up front in May, and will accept graduated payments according to the following schedule:

	1 Student	2 Students
Preferred: 1 payment on 5/15/21:	\$475	\$850
Graduated payments:		
Initial payment, 5/15/21	\$200	\$300
2nd payment, due 7/1/21	\$100	\$200
3rd payment, due 8/2/21	\$100	\$200
Final payment, due 8/16/21	\$75	\$150

All other charges (credit card fee, Dinkles, gloves, etc.) are due when ordered in May. Payments via check are preferred; we also accept cash and money orders. Make checks payable to Deep Run Band Boosters. Send payment to our PO Box or place in the Band Room mailbox. During Jump Start Registration in May only, we will accept full payment via Visa and MasterCard and will charge an additional \$25 to cover processing.

The following items come with paying the Band Assessment Fee:

- One White Band Camp T-Shirt
 - One Show T-Shirt
 - One Show Patch
2. **Student Pre-Football Game Meals.** \$66 for 11 meals. Our Hospitality Committee coordinates providing pre-football game meals to the students. This typically consists of a Chick-fil-A chicken sandwich, chips and water or pizza and water. Due to the number of meals provided and the short time we have to serve them on game day, our Hospitality Committee cannot take special orders, preferences, or be asked to honor food allergies, etc. Generally, more than 95% of our Marching Band elects to purchase these meals. If you choose to decline this service, please provide substitute food and drink for your student's pre-game meal. Note, any small amount of money left over from the fee of meals will be donated to the band boosters at the end of the season.
 3. **Marching Show Gloves.** If your student is in the Pit, Drumline, or Color Guard, you do NOT need white marching show gloves. Other other students need to purchase marching show gloves. You can re-use suitable gloves from prior years. We sell 3 pair of gloves for \$10.
 4. **Marching Shoes (Dinkles).** Dinkles are white marching shoes worn by all members of the marching band except the Color Guard. You can re-use suitable Dinkles from prior years. Dinkles sell for \$40 per pair.
 5. **Extra white Band Camp T-Shirts and Show T-Shirts.** Students receive one of each t-shirt (Band Camp and Show) with paid Assessment Fee. If you wish to purchase additional t-shirts for your student or

your family, we sell them for \$20 each white Band Camp T-Shirt and \$20 for each Show T-Shirt.

6. **Marching Uniform.** DRBB provides each musician with an assigned Wildcat Marching uniform. Uniform fittings are completed and assigned during Band Camp.
7. **Color Guard Uniform.** DRBB provides the base Color Guard uniform. Color Guard shoes, gloves, makeup, undergarments, and any auxiliary uniform pieces are paid for separately by each participant. The Color Guard leadership will notify enrolled Color Guard of any extra uniform requirements.
8. **Rain Gear Uniform.** DRBB provides each musician and Color Guard with an assigned Wildcat Rain Gear uniform. Rain Gear fittings are completed and assigned during Band Camp.
9. **Percussionist equipment:** Percussionist families pay for drumsticks for their students.
10. **Marching Band Necessity List:** See the Necessity List (page 15) for performance and practice equipment you will need.
11. **Concert Band Performance Attire:** Student families purchase formal Concert Band attire and black shoes. The Uniform Committee coordinates the measurement and purchase of floor-length gowns. This is done in the first 1-3 weeks after the start of the school year in the Fall. Of course, attire from prior years may be used and we expect to coordinate an exchange program for parents wishing to sell last year's garments. Student families also purchase coordinating black formal shoes. Expect to receive further information from the Band Director at the beginning of the school year.

Financial Hardship

If you are aware of a family that might not participate in Marching Band due to financial hardship, please have them contact Jimmy Pennington, the Band Director, the DRBB President, or the DRBB Treasurer. DRBB maintains a small budget to pay some or all of the fees for families facing financial hardship.

Statement on Refunds for the 2021 - 2022 Year

Once your student is registered for Marching Band, you are responsible to Deep Run Band Boosters (DRBB) for 100% of the price of the items you order. If your student becomes injured, sick, cannot participate in Marching Band, or decides for any reason not to participate, we will refund your order subject to the following limitations. Please contact the DRBB President or DRBB Treasurer to let us know that you wish a refund. These are the only two DRBB officers who can accept your change order.

Student Assessment Fee. If you notify the DRBB President or DRBB Treasurer prior to August 27, 2021, we will refund the Assessment Fee under the following guidelines:

- On or prior to August 13, 2021 - 100% of the Student Assessment Fee will be refunded
- August 14 - August 26, 2021 - 50% of the Student Assessment Fee will be refunded
- On or after August 27, 2021 - No portion of the Student Assessment Fee will be refunded

Note: For Color Guard – There is a non-refundable fee of \$125.00 per student.

****In all cases, the DRBB President or DRBB Treasurer MUST be notified to receive a Credit Card Fee refund.** This fee is not refundable once charged.

Fundraising

It's extremely important to raise funds throughout the year to support our budget since about a third of our operating costs come from fundraising. All levels of support are significant and add up.

Potential fundraising efforts include:

- ❖ Direct donations and corporate matching of charitable contributions
- ❖ Corporate Sponsorships
- ❖ Spirit Nights - Avoid cooking and help the band. Local restaurants give back to the band when you patronize their business on scheduled nights. Calendar forthcoming.
- ❖ The Band Concession Stand at home football games. Please look for our sign as other concession stands benefit other Deep Run groups like Athletics. About a third of your meal cost at our concession benefits the band.
- ❖ Kroger Card - register with Kroger – shop as you normally would, and the band receives a percentage of your purchases!
- ❖ Flower Sale - Purchase Poinsettias (December) and Geraniums (May) to decorate the stage for concerts, and then take them home to enjoy!
- ❖ Cookie Dough Sale - in the fall, just in time for holiday baking.
- ❖ We are always looking for new ideas! If you have one, please feel free to share!

If you have any questions or ideas you would like to share regarding fundraising, please contact Allyson Zak, DRBB VP of Ways & Means, at thezakfamily@hotmail.com.

Volunteering

The Deep Run Band Boosters is a 100% volunteer supported organization that pulls together for the benefit of our students' passion for music and marching band. What does it take to support an elite band? It is estimated that it takes about 1,246 total volunteer hours to make Marching Band Season run smoothly. **We need you!** An added bonus ... you get to spend quality time with your teenager, and you get to know the kids and parents that make up this great team.

How can you support the volunteer efforts?

- ❖ Interested to see what happens at Band Camp? Sign up for a shift and be amazed at what you see!
- ❖ Work in the concession stand during home games.
- ❖ Become a "Pit Crew" member. The pit crew build and collapse the props at performances, load/unload large instruments, sound system and podiums from the truck.
- ❖ Chaperone a game or competition. Sit with the band and feel the energy that the Marching Wildcats emit.
- ❖ Wash Uniforms. Help keep our Marching Wildcats looking their best by washing uniform pants. It's an easy job and instructions are included!
- ❖ Help feed the band. Volunteer to help feed the band on Friday nights prior to the games.
- ❖ Take pictures. If you love photography, we have a job for you.
- ❖ If you are a nurse, we could use you to help keep our Marching Wildcats in tip-top shape!
- ❖ Provide a dish for our potluck dinner/celebrations or dessert for receptions held after concerts.
- ❖ Attend Band Booster Meetings! Consider sharing your time and talents by serving on the Booster Board or as a Committee Chair.

During marching band season, it's paramount and expected for families to support the band through volunteering. Add a fresh perspective and a new face to the team by helping us spread the volunteer load. Strive to have your family volunteer about 20-30 hours per marching band season. It is lots of fun! If any of these volunteer positions appeal to you please contact Kymberly Pectelidis, DRBB VP of Volunteers, kymberly@pectelidis.com, or talk to any of the Board Members. Don't be shy!

Volunteers for almost every type of position must fill out an HCPS Volunteer Application (<https://henricoschools.us/wp-content/uploads/Volunteer-Application.pdf>). If you haven't filled out a form this year, please do so and give the form to the Jump Start team or Kymberly Pectelidis, DRBB VP of Volunteers.

All volunteering is coordinated through Sign-Up Genius – click on the links provided in Eblasts to register. If you do not have the direct link you can use the "Find a Sign Up" feature on the Sign-Up Genius site by using the following email: drmbvolunteers@gmail.com or you can visit the Deep Run Wildcat Band website at <http://www.deeprunband.com/volunteering.html>.

Form Completion and Assessment Fee Payments

Annually, student families are required to complete all necessary forms and pay fees for the upcoming band season.

Please complete and submit the following forms available online at the Deep Run Band website at www.deeprunband.com. The forms are located under the “Upcoming Events” section on the home page.
